The Romans Road for Children course with American Sign Language translation is a FREE three-week course that will help you to learn how to navigate the site while being equipped to use an effective Gospel tool with children.

FREE demonstrations are available for *Good News Club*® and *5-Day Club*® ministries. The lesson demonstrations provide practical ideas for teaching the *Child Evangelism Fellowship*® curriculum.

Action-packed song demonstrations can be used to teach children the words and motions for each song.

Bible lesson demonstrations are found within each lesson series, and conveniently grouped in Old Testament, New Testament, and Topical listings.

Song demonstrations are also found within each lesson series, but they are listed alphabetically, as well.
